News and Notes

Call Issued ~ Our voters' assembly extended a divine call to Mr. Philip Warnecke to be our 5th grade homeroom teacher and departmentalized 5-8 grade science teacher. Please keep Mr. Warnecke, his family, and Risen Savior Lutheran Church and School, where he currently serves, in your prayers as he deliberates where best to serve the Lord in His kingdom.

Veterans' Day Program ~ NEXT WEDNESDAY, November 8, our school will be hosting a Veterans' Day remembrance here at Immanuel. The program will be held in the church at 10:00 AM. Our local VFW will be bringing an honor guard, and all of our students will participate in the program. They will be singing, playing colored bells, or playing their band instruments. Ben Holper (8th grade) was selected to read his essay on the topic: "How I Am Inspired by America." Congratulations, Ben! **Everyone is invited to attend. If you know any veterans, please invite them to come.** We would love to show our appreciation for those who have served our country in our armed forces.

Trivia Night PIE is raising money to upgrade to LED lighting in some of our classrooms & get new fans in the gym. We hope to raise \$18,000 by Dec 31, 2023. Please prayerfully consider calling the office to make a donation and/or joining us at our Trivia Night Fundraiser Nov 4.

Chilly Weather and Soup and Warm Friends at Immanuel The Evangelism Team and Immanuel School are hosting a Soup Drive benefitting our community through Peter's Pantry November 6th to November 27th. If you're moved to thank Jesus in this way, the Pantry is in need of canned soup. MOST IMPORTANT, please check expiration dates since the pantry cannot accept expired items. Barrels will be located in school and church to share your donated items. Labels can be found next to the barrels. Please place your label on the back of the item, so the front can easily be read. May God move each of us to share the Word of Christ and share Christian love with our neighbors.

Picture Retake Day ~ Your child's school pictures should be coming home today. **Friday, November 10, will be our school picture retake day. Must bring the original portraits back to get the retake.** This day is for any students who would like to have their pictures retaken or for students who were absent on the first picture day. If there was a problem with your original order or if you would like to have your child's pictures retaken, please visit: <https://www.kappelmanphotography.com/elementary-school-portraits> and click on the red button.

On Tuesday, we spent the day learning about Martin Luther. Throughout the week we learned how God used

Martin Luther to reform the church and keep it connected to God's Word in its truth and purity. The students will proudly show you their Lapbooks.

Today we completed our first unit on Building a Reading Life. This also means that we finished Stone Fox. There were many tears as our beloved Searchlight died. Next week we will be writing about this experience.

Report cards are included this week. There shouldn't be any surprises, just a complete overview of the first quarter. Please sign and return the envelope, the report card is yours to keep.

Grade 4

Students set new AR goals for 2nd quarter. Check out the back of their Everything Folders to see their goal and encourage that progress! We started our study of the United States in Social Studies this week. Our class is loving the Tour of the States song to help them learn the states and capitals! Trick or Treat candy is a wonderful treat, but our class is aware that treats get eaten at the end of lunch after getting good food in our stomachs. We are not eating these treats during snack at 10:20. Report cards can be found inside Everything Folders. Please contact me with any questions or concerns. Keep the report card paper and send back the envelope with your signature to show me you have looked it over.
