CHRISTMAS EVE—2023

IMMANUEL LUTHERAN CHURCH

Welcome to Immanuel

Thanks so very much for joining us on this special evening. Please settle in and make yourself at home. This time together at Jesus' manger is to strengthen our faiths and fill us each with awe and confidence, all because of God's special gift, *Wrapped Up with Love!*

Restrooms

You'll find the restrooms located to the right of the elevator in our lobby. They are each equipped with a baby-changing station.

Children

Our church loves the "worshiping family." Children are never a bother—they are welcomed and encouraged to stay for the entire service. If you desire a quiet place to calm your little one you are welcome to "walk a little" in our spacious lobby area, equipped with screens and sound.
