Grade 3

We had a wonderful field trip on Wednesday. God's creation is such a wonderful learning environment. Today, we hung out line graphs comparing temperatures around the world to Manitowoc. In English, we learned how to correctly use quotation marks. In Social Studies, we are learning about leaders in Civil Rights and Human Rights. In Reading, we are comparing and contrasting characters from different books, making connections.

The students praised their Lord amazingly well on Sunday. They led the congregation. I received many positive comments, thanking the children for using their gifts to praise God.

Grade 4

It was a wonderful week of learning and growing in 4th grade! Students are marching through their historical

fiction books in book clubs. Some have even started on their 2nd book this week! Continue to encourage your child to read every night 15-20 minutes. This supports their reading growth, AR goal attainment, and based for Fang's reading club. In math we continue to sharpen our skills with long division. Look for a **social studies guide to come home next week**. The test on the Midwest region is scheduled for next Friday. Keep reviewing states, capitals, and labeling the map of the Midwest. We thank our chaperones for driving to Woodland Dunes this past Wednesday. Despite not snowshoeing, we had a wonderful "spring-like" hike looking for animal signs on the trail! Attached to this note is a copy of the Track Pattern Card. Have fun identifying more animal tracks! Have a blessed weekend!
