Women of all ages are invited to join us for Women's Bible Study on **Saturday, March 23rd at 9:00 AM**. We meet in the Conference Room in the church office. We just started a study of the last of the general epistles, Jude. This is a short, intense letter written by Jesus half-brother. Though this book is short, it is very timely, containing warnings against Satan's lies and Satan's liars. He alerts Christians to the dangers to their faith and encourages believers to persevere in their faith in Christ—that we must Fight for the Faith. Bring your Bible, if you don't have one, please let me know and we will supply you with one. There is a study guide and we will also be using The People's Bible Jude book for reference as well. We have copies of both available. If you are planning to join us or have any questions, please contact Judy Fuerbringer at 920-973-3355 or judynglenn@ameritech.net. **Join us to be refreshed & encouraged!**

Have a passion for serving our seniors? Especially during these cold months, we're looking for people to visit our homebound members with a recorded worship service. Some of our members know how to or have someone helping them worship using our online services, but there are those who don't. Could you load an archived service and then sit to worship with them? What a blessed interaction – two people gathered in the Word and striving to make our homebound members still feel a part of this church family. If you are interested in volunteering, please let the church office know! *Laptops will be provided.*
